

ORDINANCE NO.: 2003-038

Amending the 1998 Code of Ordinances of the City of Columbia, South Carolina, Chapter 23, Utilities and Engineering, Article VII, Stormwater Management, Sec. 23-209, Exemptions and credits applicable to stormwater service charges to add Timing of Applications

BE IT ORDAINED by the Mayor and City Council of the City of Columbia, South Carolina this 14th day of May, 2003 that the 1998 Code of Ordinances of the City of Columbia, South Carolina, Chapter 23, Utilities and Engineering, Article VII, Stormwater Management, Sec. 23-209, Exemption and credits applicable to stormwater service charges, is amended to add the following language:

ORIGINAL
STAMPED
IN FILE

Timing of Applications. The following timelines shall be used in determining the effective date a credit against stormwater service charges:

(1) For new detention/retention facilities as well as educational programs, the credit shall become effective with the first billing period following successful completion of the application process and approval by the City Engineer (or his or her designee).

(2) For detention/retention facilities as well as educational programs existing on the effective date of this ordinance, the credit shall become effective retroactively to the date of initial billing if an application is received by the City on or before July 1, 2003. The granting of such a credit shall be dependent upon successful completion of the application process and approval by the City Engineer (or his or her designee). For existing detention/retention facilities as well as educational programs for which the application is received by the City after July 1, 2003, the credit shall become effective with the first billing period following successful completion of the application process and approval by the City Engineer (or his or her designee).

This ordinance is effective as of July 1, 2003.
