ARTICLE II

FINDINGS AND DETERMINATIONS

Section 2.1. Findings and Determinations. The Council hereby finds and determines:

(a) The City is an incorporated municipality located in Richland County, South Carolina, and as such has all powers granted to municipalities by the Constitution and general laws of the State.

(b) Section 5-7-30 of the S.C. Code provides, in part, that municipalities may enact ordinances, not inconsistent with the Constitution and general law of the State, respecting any subject which appears necessary and proper for the security, general welfare, and convenience of the municipality and for the preservation of the general health, peace, order and good government in the municipality, and further, under the case of Williams v. Town of Hilton Head, 429 S.E.2d 802 (1993) a municipality may enact regulations (ordinances) without the requirement for further specific statutory authorization so long as such regulations are not inconsistent with the Constitution and general law of the State.

(c) Pursuant to the authorization granted by the General Assembly to municipalities in the Hospitality Fee Act, the Council imposed the Hospitality Fees. While the General Assembly utilized the words "local hospitality tax" in the Hospitality Fee Act as a means by which to designate the charge authorized to be imposed on the sales of prepared meals and beverages, it was the intent of the Council to impose such charges as fees pursuant to the provisions of the Hospitality Fee Ordinance.

(d) It is a well established principle of South Carolina law that the use of a particular word is not determinative of its characterization. Jackson v. Breeland, 88 S.E. 128, 103 S.C. 184 (1915). As set forth in Brown v. County of Horry, 417 S.E.2d 565, 308 S.C. 180 (1992), the factors that are of paramount importance to the analysis of whether a charge constitutes a "tax" or a "fee" are the following: (i) the purpose behind its imposition; (ii) the intended portion of the community that will be charged; and (iii) the dedication of the sums so collected to the purpose for which it is charged. The Council finds that its actions in imposing the Hospitality Fees and segregating the collections received from such fees in order that such sums be utilized according to the Hospitality Fee Act meet the test enunciated in Brown such that the charges imposed pursuant to the provisions of the Hospitality Fee Ordinance constitute fees.

(e) A dynamic tourism industry fosters and enhances the economic growth and well being of a community and its residents. Tourism has been and continues to be a growing industry for the City. The City is initiating efforts to promote tourism to the City and to the City's facilities and attractions. Moreover, as the City's tourism industry grows and expands, the City must make provision to increase municipal services and facilities in order to accommodate the needs of tourists and to attract additional tourism. Tourists enjoy and utilize the special benefits which the City provides. The Council has been advised and recognizes that Hospitality Fees must be used exclusively for Projects or otherwise for purposes permitted by the Hospitality Fee Ordinance and

the Hospitality Fee Act.

(f) Article X, Section 14 of the Constitution of the State of South Carolina, 1895, as amended, provides that municipalities may incur indebtedness payable solely from a revenue-producing project which source does not involve revenues from any tax or license.

(g) Section 6-1-760(B) of the S.C. Code provides that a municipality is authorized to issue bonds, pursuant to Section 14(10), Article X of the Constitution of the State, utilizing the procedures of the Bond Act, for the purposes enumerated in Section 6-1-530 (which are identical to those set forth in Section 6-1-730) of the S.C. Code, to pledge as security for such bonds and to retire such bonds with the proceeds of local hospitality fees imposed under the Hospitality Fee Act, and the pledge of such other nontax revenues as may be available for those purposes for capital projects used to attract and support tourists.

(h) The Corporation has heretofore issued the 2004 Certificates, evidencing proportionate undivided interests in the Base Fee Payments (as defined in the 2004 Installment Sale Agreement) paid by the City under the 2004 Installment Sale Agreement.

(i) Pursuant to the 2004 Installment Sale Agreement, the City has heretofore pledged the Hospitality Fees to secure its obligation to pay Base Fee Payments and Additional Fee Payments (as defined in the 2004 Installment Sale Agreement) in connection with the 2004 Certificates.

(j) Pursuant to the authority of the Bond Act and the Hospitality Fee Act, the City intends to finance certain Projects and/or refinance the 2004 Certificates with a portion of the proceeds from the Bonds.

(k) The 2004 Installment Sale Agreement provides that, upon compliance with certain conditions set forth therein, the City may issue "Other Obligations" secured by a pledge of the Hospitality Fees on a parity with or junior and subordinate to the pledge of Hospitality Fees securing payment of amounts due under the 2004 Installment Sale Agreement. "Other Obligations" are defined in the 2004 Installment Sale Agreement as any obligation of the City constituting indebtedness under generally accepted accounting principles, and any other payment obligation with established or fixed annual or periodic payments, for the payment of which Hospitality Fees have been or are to be pledged. Bonds issued pursuant to this Ordinance and Supplemental Ordinances hereto shall qualify as "Other Obligations" as defined in the 2004 Installment Sale Agreement (for so long as the 2004 Certificates are outstanding under the 2004 Trust Agreement) provided such Bonds comply with the conditions (if any) with respect to "Other Obligations" set forth in the 2004 Installment Sale Agreement.

(b) Bonds of a Series may be executed and delivered to the Registrar by the City and authenticated and delivered by the Registrar to the City or, upon its order, upon compliance with Section 3.3 or 3.4 hereof.

Bonds issued upon compliance with this Section and Section 3.3 or Section 3.4 hereof shall be issued on a parity with the pledge of and lien upon the Hospitality Fees inter sese, but not with respect to the particular Debt Service Fund or Debt Service Reserve Fund (if any) created for the benefit of the Holders of the Bonds of a Series, notwithstanding, that they may be in different form, and bear different dates, interest rates, number, date of issuance or date of execution or are payable at different times. In all such instances, the pledge of Hospitality Fees made hereunder, and the covenants and remedies hereby granted, shall be applicable and available to the Holders of such Bonds. Additionally, the pledge of Hospitality Fees securing the payment of Bonds issued hereunder shall be on a parity with the pledge thereof securing the payment of Base Fee Payments and Additional Fee Payments, if any, due under the 2004 Installment Sale Agreement while the 2004 Certificates are outstanding.

Section 3.3. Conditions for the Issuance of Bonds under this Ordinance Other than Refunding Bonds or Junior Bonds. B. If a certificate filed pursuant to part (A) of this Section should disclose a Default or Defaults hereunder, there shall be filed with the City and the Trustee an opinion of Bond Counsel that, in the case of any Default disclosed in a certificate filed pursuant to part (A) of this Section, each such Default does not deprive the Bondholders of the security afforded by this Ordinance in any material aspect.

C. For the issuance of Bonds to finance the Costs of Acquisition and Construction, or a portion thereof, of any Project (other than the Series 2011 Bonds issued pursuant to this Ordinance and the First Supplemental Ordinance), there shall be delivered a report, which need not be based upon the latest available audit of the City, from the Finance Director or the City Manager of the

City, to the effect that the amount of the Hospitality Fees collected by the City during the Fiscal Year prior to the Fiscal Year in which the Bonds are proposed to be issued is not less than 120% of the sum of the Maximum Annual Payments (as defined in the 2004 Installment Sale Agreement) relating to the 2004 Certificates to be outstanding after the issuance of such Bonds, and the Maximum Debt Service on Bonds then Outstanding and the Bonds then proposed to be issued.

D. Such Bonds shall be issued to secure funds to defray the Costs of Acquisition and Construction of a Project, or to refund Junior Bonds, or any other notes, bonds, or other obligations issued to finance or to aid in financing the acquisition, construction, improvement, enlargement or repair of Projects.

E. The Supplemental Ordinance may provide for a deposit into the Debt Service Reserve Fund established with respect to such Series of Bonds, if any, of cash or securities or an insurance policy, surety bond or letter of credit, as provided in Section 6.7 hereof (inclusive of any proceeds of such Series of Bonds to be deposited in the applicable Debt Service Reserve Fund) having an aggregate value not less than the Reserve Fund Requirement, if any, with respect to such Series of Bonds.

Section 3.4. Refunding Bonds. Without complying with the provisions of Section 3.3 hereof except as otherwise provided herein, for the issuance of refunding Bonds (other than the Series 2011 Bonds issued under this Ordinance and the First Supplemental Ordinance), the City by means of a Supplemental Ordinance enacted in compliance with the procedures of the Bond Act, the Hospitality Fee Act, and any other statutory provisions authorizing the issuance of refunding bonds, including advance refunding bonds, may issue hereunder refunding Bonds as follows:

A. Bonds may be issued for the purpose of refunding (including by purchase) at any time within one year prior to maturity or prior to any sinking fund installment due date, the Bonds maturing on such date (or an amount of such bonds subject to redemption from such sinking fund installments not in excess of the amount of such Bonds required to be redeemed on such due date) for the payment of which sufficient Hospitality Fees are not available. Any Bonds issued for such purpose shall mature (or sinking fund installments therefor shall commence) not earlier than the latest stated maturity of the Bonds not then refunded to be Outstanding after such refunding; or

Unless or except as is otherwise provided in the Supplemental Ordinance authorizing their issuance, the Bonds of each Series: (a) shall be in fully registered form without coupons, provided such Bonds may be issued in book-entry form; (b) shall be issued in denominations of \$5,000, or any integral multiple thereof, provided that, upon partial redemption of a Bond requiring surrender thereof and the issuance of a new Bond, such new Bond may be in the denomination of the unredeemed balance; and (c) shall be payable with respect to principal, interest, and premium, if any, in any coin or currency of the United States of America which at the time of payment is legal tender for the payment of public and private debts.

Section 4.5. Numbers, Date, and Payment Provisions. The Bonds shall be numbered and designated in such manner as the City, with the concurrence of the Trustee, shall determine. Each Bond of a Series shall bear interest from the Interest Payment Date immediately preceding the date of its authentication, unless authentication shall be upon an Interest Payment Date, in which case it shall bear interest from its authentication, or unless authentication shall precede the first Interest Payment Date for such Bond, in which case it shall bear interest as otherwise provided in the Supplemental Ordinance authorizing its issuance, provided, however, that if the date of authentication of any Bond of any Series is after a Record Date and before the corresponding Interest Payment Date therefor, such Bond shall bear interest from such succeeding Interest Payment Date; notwithstanding the foregoing, if at the time of authentication of any Bond any interest on such Bond is in default, such Bond shall bear interest from the date to which interest on such Bond has been paid or if no interest has been paid, such Bond shall bear interest from the date of delivery thereof or from its dated date, or as otherwise provided in the Supplemental Ordinance authorizing the issuance of such Bonds.

Section 4.6. Exchange of Bonds. Unless or except as is otherwise provided in the Supplemental Ordinance authorizing their issuance Bonds, upon surrender thereof at the office of the Registrar with a written instrument of transfer satisfactory to the Registrar, duly executed by the Bondholder or his duly authorized attorney with such signature guaranteed by a participant in STAMP or similar program, may, at the option of the Bondholder thereof, and upon payment by such Bondholder of any charges which the Registrar may make as provided in Section 4.7, be exchanged for a principal amount of Bonds of the same Series and maturity of any other authorized denomination equal to the unpaid principal amount of surrendered Bonds.

Section 4.7. Regulations with Respect to Exchanges and Transfer. In all cases in which the privilege of exchanging or transferring Bonds is exercised, the City shall execute and the Trustee shall authenticate and deliver Bonds in accordance with the provisions of this Ordinance or such Supplemental Ordinance authorizing the issuance thereof. All Bonds surrendered in any such exchanges or transfers shall forthwith be canceled by the Trustee. There shall be no charge to the Bondholder for such exchange or transfer of Bonds except that the Trustee may make a charge sufficient to reimburse it for any tax or other governmental charge required to be paid with respect

to such exchange or transfer. Neither the City nor the Registrar shall be required (a) to exchange or transfer Bonds (i) from the Record Date to the succeeding Interest Payment Date or (ii) for a period of fifteen (15) days following any selection of Bonds to be redeemed or thereafter until after the first publication or mailing of any notice of redemption, or (b) to transfer any Bonds called for redemption.

Section 4.8. Mutilated, Lost, Stolen or Destroyed Bonds. In case any Bond shall at any time become mutilated in whole or in part, or be lost, stolen or destroyed, or be so defaced as to impair the value thereof to the Holder, the City shall execute and the Trustee shall authenticate and deliver at the principal office of the Trustee, or send by registered mail to the Holder thereof at his request, risk and expense a new Bond of the same series, interest rate and maturity and of like tenor and effect in exchange or substitution for and upon the surrender for cancellation of such defaced, mutilated or partly destroyed Bond, or in lieu of or in substitution for such lost, stolen or destroyed Bond. In any such event, the applicant for the issuance of a substitute Bond shall furnish the City and the Registrar (a) evidence or proof satisfactory to the City and the Registrar of the loss, destruction, mutilation, defacement or theft of the original Bond, and (b) of the ownership thereof, and (c) such security and indemnity as may be required by the laws of the State or such greater amount as may be required by the City and the Registrar. Any duplicate Bond issued under the provisions of this Section in exchange and substitution for any defaced, mutilated or partly destroyed Bond or in substitution for any allegedly lost, stolen or wholly destroyed Bond shall be entitled to the identical benefits under this Ordinance or any Supplemental Ordinance as was the original Bond in lieu of which such duplicate Bond is issued, and shall be entitled to equal and proportionate benefits with all the other Bonds of the same series issued hereunder. Neither the City nor the Registrar nor any Paying Agent shall be required to treat both the original Bond and any duplicate Bond as being Outstanding for the purpose of determining the principal amount of Bonds which may be issued hereunder or for the purpose of determining any percentage of Bonds Outstanding hereunder, but both the original and duplicate Bond shall be treated as one and the same. In the event any such mutilated, lost, stolen or destroyed Bond shall have matured, instead of issuing a duplicate Bond the City may pay the same.

All expenses necessary for the providing of any duplicate Bond shall be borne by the applicant therefor.

ARTICLE V

REDEMPTION OF BONDS

Section 5.1. Redemption of Bonds. The Bonds of a Series may be subject to redemption prior to their stated maturities upon such terms and conditions and at such dates and redemption price or prices or premium or premiums as shall be set forth in the Supplemental Ordinance providing for the issuance of such Bonds, and upon the further terms and conditions as are hereinafter set forth.

Section 5.2. Selection of Bonds for Redemption. In the event of the redemption at any time of only part of the Bonds of a Series, the Bonds to be redeemed shall be redeemed in such order as is set forth in the Supplemental Ordinance providing for the issuance of such Bonds. Unless otherwise provided by Supplemental Ordinance, if less than all of the Bonds of like maturity of any Series shall be called for prior redemption, the particular Bonds or portions of Bonds to be redeemed shall be selected by lot by the Trustee; provided, however, that the portion of any Bond of a denomination of more than \$5,000 to be redeemed shall be in the principal amount of \$5,000 or an integral multiple thereof, and that, in selecting portions of such Bonds for redemption, the Registrar shall treat each such Bond as representing that number of Bonds of \$5,000 denomination which is obtained by dividing the principal amount of such Bond by \$5,000.

Section 5.3. Notice of Redemption. Unless or except as otherwise provided in the Supplemental Ordinance authorizing their issuance, the provisions of this Section 5.3 apply to each Series of Bonds.

In the event any of the Bonds or portions thereof are called for redemption, the Trustee shall give notice, in the name of the City, of redemption of Bonds by first-class mail, postage prepaid, to the Holder thereof as shown on the Books of Registry not less than 30 days and not more than 60 days prior to the date fixed for the redemption thereof. Such notice of redemption shall state: (a) the title of such Bonds to be redeemed, CUSIP numbers, if any, date of issue, the series designation (if any) thereof, the redemption date, the place or places of redemption and the redemption price or redemption premium, if any, payable upon such redemption; (b) if less than all such Bonds of a particular Series are to be redeemed, the distinctive number of such Bonds to be redeemed; (c) that the interest on such Bonds designated for redemption in such notice shall cease to accrue from and after such redemption date; and (d) that on such date there will become due and payable on each such Bond the principal amount thereof to be redeemed at the then applicable redemption price or redemption premium, if any, and the interest accrued on such principal amount to the redemption date. Any notice mailed as provided in this Section shall be conclusively presumed to have been duly given, when mailed, whether or not the Holder thereof receives the notice. The notice shall further state that if money for the redemption of all the Bonds being redeemed at that time is held by the Trustee on the redemption date, interest shall cease to accrue on such Bonds on and after the redemption date. The notice may further state that the redemption of the Bonds being called for redemption is conditioned upon the Trustee receiving on or before the redemption date of sufficient money for the redemption thereof.

Section 5.4. Partial Redemption of Bond. In the event that only part of the principal sum of a Bond shall be called for redemption or prepaid, payment of the amount to be redeemed or prepaid shall be made only upon surrender of such Bond to the Registrar. Upon surrender of such Bond, the City shall execute and the Trustee shall authenticate and deliver to the Holder thereof, at the principal office of the Trustee, or send to such Holder by registered mail at his request, risk and expense, a new fully executed Bond or Bonds, of authorized principal sums equal in aggregate principal amount to, and of the same Series, maturity and interest rate as, the unredeemed portion of the Bond surrendered.

Section 5.5. Effect of Redemption. If a Bond is subject by its terms to redemption prior to its stated maturity and has been duly called for redemption and notice of the redemption thereof has been duly given as hereinbefore provided and if moneys for the payment of such Bond at the then applicable redemption price or together with the then applicable redemption premium, if any, and the interest to accrue to the redemption date on such Bond are held for the purpose of such payment by the Trustee for the series of Bonds of which such Bond is one, then such Bond so called for redemption shall, on the redemption date designated in such notice, become due and payable. Interest on the Bond so called for redemption shall cease to accrue.

Section 5.6. Cancellation. All Bonds which have been redeemed shall be canceled and either maintained or destroyed by the Registrar and shall not be reissued. A counterpart of the certificate of destruction evidencing such destruction shall be furnished by the Registrar to the City upon the written request of the City.

ARTICLE VI

ESTABLISHMENT OF FUNDS; SECURITY FOR AND PAYMENT OF THE BONDS; INVESTMENT OF MONEYS

Section 6.1. Listing of Funds and Accounts. In addition to the Hospitality Fee Fund (created and established pursuant to the Hospitality Fee Ordinance), the following are the funds created and established by this Ordinance:

- (i) Debt Service Fund for each Series of Bonds to be held by the Trustee, including an Interest Account, Principal Account and Bond Redemption Account.
- (ii) Debt Service Reserve Fund for each Series of Bonds, if any, to be held by the Trustee.
- (iii) Construction Fund, if applicable, for each Series of Bonds to be held by the City or a bank or financial institution (a "Custodian") designated by the City.
- (iv) One or more accounts may, by written direction of the City or by the terms of a Supplemental Ordinance, be established within any of the above funds.

It is intended by this Ordinance that the funds and accounts referred to in this Article (other than the Construction Fund) shall remain in existence for so long a time as any sum remains due and payable by way of principal of and interest on the Bonds, and that deposits and withdrawals therefrom be made in the manner herein prescribed and in the order of priority hereinafter set forth in Section 6.2 hereof.

Section 6.2. Disposition of Hospitality Fees. The Hospitality Fees shall be applied in the amounts, if any, and for the purposes as provided or permitted by this Ordinance, and in the following order of priority:

First, there shall be transferred ratably (1) to the Trustee (as defined in the 2004 Trust Agreement) the amounts, if any, when and as required by the 2004 Installment Sale Agreement, (2) into the respective Debt Service Funds, the amounts required by this Ordinance or any Supplemental Ordinance and (3) into the respective Debt Service Reserve Funds, the amounts (including any payments required under the terms of any surety bond, insurance policy or letter of credit applicable thereto) required by this Ordinance or any Supplemental Ordinance;

Second, provision shall be made for payment of interest on amounts advanced by the provider of any surety bond, line of credit, insurance policy or letter of credit as contemplated in Section 6.7 hereof;

Third, provisions shall be made for the payment of any Junior Bonds; and

Fourth, the remaining Hospitality Fees shall be disposed of as provided in Section 6.9 hereof.

Section 6.3. Security for and Payment of the Bonds. Each Series of Bonds, together with the interest thereon, shall be payable solely from and secured equally and ratably by a pledge of the Hospitality Fees which shall be and hereby are irrevocably pledged to the payment of the principal of, redemption premium, if any, and interest on any Series of Bonds authorized by the Supplemental Ordinances; provided, however, that (1) for so long as the 2004 Certificates are outstanding, such pledge of Hospitality Fees shall be on a parity with the pledge thereof securing the City's obligations to pay Base Fee Payments and Additional Fee Payments under the 2004 Installment Sale Agreement; (2) funds held by the Trustee in the respective Debt Service Funds and Debt Service Reserve Funds are hereby pledged for the benefit of the respective Bondholders as security for the Bonds of the Series to which such funds relate; and (3) this provision shall not preclude the issuance of Junior Bonds if such Junior Bonds be issued in conformity with the provisions of Section 3.5 hereof, but the pledge herein made shall preclude the issuance of bonds payable from or secured by a pledge of or lien on Hospitality Fees superior to that herein made to secure the Bonds.

The Bonds do not constitute an indebtedness of the City within any State constitutional provision (other than Article X, Section 14, Paragraph 10 of the South Carolina Constitution authorizing obligations payable solely from special sources not involving revenues from any tax or license) or statutory limitation and shall never constitute or give rise to a pecuniary liability of the City or a charge against its general credit or taxing power. The full faith, credit and taxing powers of the City are not pledged to the payment of the principal of and interest on the Bonds.

The covenants and agreements herein set forth to be performed by the City shall be for the equal and proportionate benefit, security and protection of all Holders of the Bonds without preference, priority or distinction as to payment or security or otherwise (except as to maturity) of any of the Bonds for any reason or cause whatsoever, except as expressly provided herein or in the Bonds. Except as aforesaid, all Bonds shall rank *pari passu* and shall be secured equally and ratably hereunder without discrimination or preference whatsoever.

Section 6.4. Accounting Methods. The designation of the Hospitality Fee Fund referenced in and by this Ordinance shall not be construed to require the establishment of any completely independent, self-balancing funds as such term is commonly defined and used in governmental accounting, but rather is intended solely to constitute an earmarking of the Hospitality Fees for certain purposes and to establish certain priorities for application of such Hospitality Fees as herein provided.

The cash required to be accounted for in the Hospitality Fee Fund referenced herein may be deposited in a single bank account, into which Hospitality Fees shall be deposited, provided that adequate accounting records are maintained to reflect and control the restricted allocation of the cash in and deposited therein for the various purposes of such funds as provided herein.

Section 6.5. Hospitality Fee Fund. Pursuant to the Hospitality Fee Ordinance, there has been established and is hereby referenced a Hospitality Fee Fund to be maintained by a bank or

other financial institution designated, from time to time, by the City and into which shall be deposited all Hospitality Fees. Moneys in the Hospitality Fee Fund shall be used only in the manner specified in this Article VI and the Hospitality Fee Ordinance and in the order of priority set forth in Section 6.2 hereof. Moneys held in the Hospitality Fee Fund may be invested, from time to time, in Permitted Investments; provided, however, that such Hospitality Fees in the Hospitality Fee Fund shall be transferred to the Trustee (as defined in the 2004 Installment Sale Agreement), while the 2004 Certificates are outstanding, and the Trustee, as required and in the amounts, if any, required to be made by this Article VI, each Supplemental Ordinance and the Hospitality Fee Ordinance.

Section 6.6. Debt Service Funds. There shall be established and maintained special funds of the City to be designated the Debt Service Fund for each Series of Bonds then Outstanding which shall be kept on deposit with the Trustee, and withdrawals therefrom shall be made for the purposes provided in this Ordinance. Each Debt Service Fund shall bear a separate series designation as may be necessary to distinguish such Debt Service Fund.

The respective Debt Service Funds are intended to provide for the payment of the principal of, redemption premium, if any, and interest on each Series of Bonds as the same respectively fall due. Payments into such Funds shall be made in the manner prescribed by this Ordinance and all moneys in the respective Debt Service Funds shall be used solely to pay the principal of, redemption premium, if any, and interest on the respective Series of Bonds, and for no other purpose, and withdrawals therefrom shall be made only to effect payment of the principal of, redemption premium, if any, and interest on the respective Series of Bonds. Earnings on investments in the Debt Service Fund, including the accounts therein, shall be added to and become a part of such respective Funds and the accounts therein.

The City shall transfer or cause to be transferred to the Trustee from the Hospitality Fee Fund for deposit into the respective Debt Service Funds and ratably with respect to separate Series of Bonds for credit to the Interest Account, the Principal Account or the Bond Redemption Account, as the case may be, sufficient moneys so as to comply with the following provisions for the payment of the Bonds then Outstanding.

(a) *Interest Account.* There shall be established and maintained for the purpose of paying the interest on each Series of Bonds as the same becomes due and payable an Interest Account in the respective Debt Service Funds. Unless and except as is otherwise set forth herein or in a Supplemental Ordinance, not later than five (5) Business Days prior to the first day of each calendar month following the month in which Bonds are delivered to the initial purchasers thereof and not later than the fifth Business Day prior to the first day of each month thereafter, the Trustee shall transfer or allocate for credit to the Interest Account for each respective Series of Bonds then Outstanding an amount received from the City derived from Hospitality Fees (until the moneys on deposit therein shall equal the amount needed) such that, if the same amount is credited to such Interest Account not later than the fifth Business Day prior to the first day of each calendar month preceding the next date upon which an installment of interest falls due on such Series of Bonds, the aggregate of the amounts so paid and credited to the Interest Account would on such date be equal to the installment of interest then falling due on the respective Series of Bonds then Outstanding. To the extent moneys derived from other sources have been transferred or allocated for credit to the

Interest Account on or before five (5) Business Days prior to the first day of each calendar month as described above, the amount of Hospitality Fees to be transferred or allocated for credit to such Interest Account shall be reduced or eliminated by the amount of such moneys transferred or allocated for credit to the Interest Account.

(b) *Principal Account.* There shall be established and maintained for the purpose of paying the principal of each Series of Bonds as they mature a Principal Account in the respective Debt Service Funds. Unless and except as is otherwise set forth herein or in a Supplemental Ordinance, not later than five (5) Business Days prior to (1) the first day of the twelfth month prior to any Principal Payment Date on any Bonds or (2) the first day of each calendar month following the month in which Bonds are delivered to the initial purchasers thereof, in the case of a Principal Payment Date occurring less than 13 months after the date on which Bonds are delivered to the initial purchasers thereof, and, in either case, not later than the fifth Business Day prior to the first day of each calendar month thereafter, the Trustee shall transfer or allocate to the credit of the Principal Account for each respective Series of Bonds then Outstanding an amount received from the City derived from Hospitality Fees (until the moneys on deposit therein shall equal the amount needed) such that, if the same amount were credited to such Principal Account not later than the fifth Business Day prior to the first day of each calendar month preceding the next date upon which an installment of principal falls due on the Bonds, the aggregate of the amounts so paid and credited to the Principal Account would on such date be equal to the installment of principal then falling due on the respective Series of Bonds then Outstanding. To the extent moneys derived from other sources have been transferred or allocated for credit to the Principal Account on or before five (5) Business Days prior to the first day of each calendar month as described above, the amount of Hospitality Fees to be transferred or allocated for credit to such Principal Account shall be reduced or eliminated by the amount of such moneys transferred or allocated for credit to the Principal Account.

(c) *Bond Redemption Account.* There shall be established and maintained, in order to meet the specified sinking fund installment requirements of Term Bonds and to otherwise retire Term Bonds prior to maturity, a Bond Redemption Account in the respective Debt Service Fund. Unless and except as is otherwise set forth herein or in a Supplemental Ordinance, not later than five (5) Business Days prior to (1) the first day of the twelfth month prior to the date a sinking fund installment of Term Bonds of each Series falls due or (2) the first day of each calendar month following the month in which Bonds are delivered to the initial purchasers thereof, in the case of a sinking fund installment falling due less than 13 months after the date on which Bonds are delivered to the initial purchasers thereof, and, in either case, not later than the fifth Business Day prior to the first day of each calendar month thereafter, the Trustee shall allocate to the credit of the Bond Redemption Account for each respective Series of Bonds then Outstanding amounts received from the City derived from Hospitality Fees (until the moneys on deposit therein shall equal the amount needed) such that, if the same amount were credited to the Bond Redemption Account not later than the fifth Business Day prior to the first day of each calendar month preceding the next date upon which a sinking fund installment of principal falls due on the Term Bonds, the aggregate of the amounts so paid and credited to the Bond Redemption Account would on such date be equal to the sinking fund installment of principal then falling due on the respective Series of Term Bonds then Outstanding. To the extent moneys derived from other sources have been transferred or allocated for

credit to the Bond Redemption Account on or before five (5) Business Days prior to the first day of each calendar month as described above, the amount of Hospitality Fees to be transferred or allocated for credit to such Bond Redemption Account shall be reduced or eliminated by the amount of such moneys transferred or allocated for credit to the Bond Redemption Account. The Trustee shall apply the moneys credited to the Bond Redemption Account as sinking fund installments to the retirement of the Term Bonds of each respective Series by redemption in accordance with the Supplemental Ordinance providing for the issuance of such Series of Bonds, without further authorization or direction, on each date upon which a sinking fund installment is due with respect to the Term Bonds of such Series. The Trustee shall keep and retain accurate records of application of each deposit of funds under this paragraph (c). The Trustee shall give notice of all such redemptions in the name and on the behalf of the City in accordance with the provisions of Article V hereof. In making any of the deposits to the Bond Redemption Account required by this paragraph (c), consideration shall be given to and allowance made for any other credits otherwise made to such Bond Redemption Account.

(d) If, on the dates when the payments required by paragraphs (a), (b) and (c) of this Section are to be made, the aggregate of (i) the payments actually made pursuant to said paragraphs (a), (b) and (c), and (ii) the remaining payments to be made prior to the next succeeding date on which principal or interest, or both, as the case may be, will be due and payable, are less than the sum required to be transferred to a Debt Service Fund to effect the payment of the succeeding installment of principal or interest, or both, as the case may be, moneys in the applicable Debt Service Reserve Fund, if any, equal to such deficiency shall be added to the payment to be made pursuant to said paragraphs (a), (b) and (c). In the event of such transfer, the Trustee shall promptly give telephonic notice of such transfer to the City and, within ten days after making the transfer, provide written notice to the City of the amount and date of such transfer.

Moneys in the respective Debt Service Funds shall be used and applied solely to the payment of the interest on and the retirement of the principal of and redemption premium, if any, on the respective Series of Bonds and shall be used and applied in accordance with the provisions of this Section 6.6 and this Ordinance and the Supplemental Ordinance providing for the issuance of such Series of Bonds. The moneys paid into the respective Debt Service Fund shall be held by the Trustee in trust solely for the purpose of paying the interest on and the retirement of the principal of and redemption premium, if any, on the respective Series of Bonds. Withdrawals from such Funds shall be made by the Trustee in order to transfer such moneys to the Paying Agent for the respective Series of Bonds. Such withdrawals shall be made so that the necessary moneys shall be available to the Paying Agent not later than one (1) Business Day prior to the day on which principal or interest or both, and redemption premium, if any, as the case may be, are payable on the Bonds.

Section 6.7. Debt Service Reserve Fund. (a) A Supplemental Ordinance may provide for the establishment of a Debt Service Reserve Fund for any Series of Bonds. Each Debt Service Reserve Fund shall bear a separate Series designation as may be necessary to distinguish such Debt Service Reserve Fund and shall, subject to certain provisions of this Ordinance, be maintained in an amount equal to the applicable Reserve Fund Requirement, as determined pursuant to a Supplemental Ordinance, and in the manner determined pursuant to such Supplemental Ordinance, so long as the applicable Series of Bonds shall be Outstanding. Each such Fund is intended to

insure the timely payment of the principal of and interest on the applicable Series of Bonds and to provide for the redemption of such Series of Bonds prior to their stated maturities. The respective Debt Service Reserve Funds shall be kept on deposit with the Trustee, and withdrawals therefrom shall be made for the purposes provided in this Ordinance.

(b) Moneys in each Debt Service Reserve Fund shall be used for the following purposes, and for no other:

(1) To prevent a Default in the payment of the principal of or interest on the applicable Series of Bonds, by reason of the fact that moneys in the applicable Debt Service Fund are insufficient for such purposes;

(2) To pay the principal of, interest on, and redemption premium, if any, of the applicable Series of Bonds in the event that all Outstanding Bonds of such Series be redeemed as a whole;

(3) To effect partial redemption of the applicable Series of Bonds, provided that such redemption be undertaken in accordance with the provisions of this Ordinance permitting a partial redemption of the applicable Series of Bonds and the balance remaining in the applicable Debt Service Reserve Fund following such partial redemption shall not be less than the Reserve Fund Requirement; or

(4) To effect the retirement of a Series of Bonds through purchase under the conditions herein prescribed.

(c) Unless otherwise provided in a Supplemental Ordinance, whenever the market value (determined as of the valuation dates and in accordance with the method specified in Section 6.10 hereof) of the cash and securities in the applicable Debt Service Reserve Fund shall exceed the Reserve Fund Requirement, such excess may at the written direction of the City (i) be used to repurchase and retire the applicable Series of Bonds at prices not exceeding the call price first to become available or then prevailing; (ii) be deposited as the City deems advisable; or (iii) be transferred to the Hospitality Fee Fund or, at the option of the City, to the Construction Fund during the period of construction or acquisition of a Project. Purchases of Bonds shall be effected by the City through the Trustee, and whenever Bonds shall have been purchased pursuant to this authorization, it shall be the duty of the Registrar to cancel and destroy such Bonds and to deliver certificates evidencing such act to the City.

(d) Unless otherwise provided in a Supplemental Ordinance, if the Trustee sends written notice to the City stating that a deficiency exists in the applicable Debt Service Reserve Fund (whether due to a transfer therefrom pursuant to Section 6.6(d) or a valuation thereof determined as of the valuation dates and in accordance with the method specified in Section 6.10 hereof), then (1) there shall be deposited from available Hospitality Fees into the applicable Debt Service Reserve Fund over the next succeeding six (6) months, successive equal monthly installments of the amount necessary to re-establish in the applicable Debt Service Reserve Fund its respective Reserve Fund Requirement (upon receipt of each of which installments, the Trustee shall promptly send an

updated written notice to the City as to the remaining deficiency therein) and (2) the City agrees to pay, prior to the next Interest Payment Date, an amount equal to such shortfall; provided, however, that the City's obligation to make such payment shall be subject to Council, by ordinance duly enacted, appropriating moneys from sources or funds lawfully available for such purpose sufficient to pay the shortfall. The City understands and agrees that the payment obligation described in this paragraph shall constitute a current expense of the City and shall not in any way be construed to be a debt of the City in contravention of any applicable constitutional or statutory limitations or requirements concerning the creation of indebtedness of the City, nor shall anything contained herein constitute a pledge of the general tax revenues, funds, moneys or credit of the City. **Any such budgetary appropriation shall be subject in all respects to the discretion of Council, and any failure to make such an appropriation, notwithstanding any provision of this Ordinance to the contrary, shall not constitute a default or Event of Default under this Ordinance.**

(e) In lieu of the deposit of moneys into the Debt Service Reserve Fund established with respect to any Series of Bonds to meet the Reserve Fund Requirement with respect to that Series, the City may cause to be credited a surety bond or an insurance policy payable to, or a letter of credit in favor of, the Trustee for the benefit of the Holders of the Bonds meeting the standard set forth in the Supplemental Ordinance authorizing that Series of Bonds, as the case may be. The amount of moneys required to be deposited to the Debt Service Reserve Fund shall be reduced by the amount of the surety bond, insurance policy, or letter of credit. The surety bond, insurance policy, or letter of credit shall be payable (upon the giving of notice as required thereunder) on any Interest Payment Date on which moneys will be required to be withdrawn from the Debt Service Reserve Fund and applied to the payment of the principal of or interest on any Bonds of that Series but only to the extent that withdrawals cannot be made by amounts then credited to the Debt Service Reserve Fund.

If the City obtains a surety bond, insurance policy or letter of credit in substitution for moneys deposited to the applicable Debt Service Reserve Fund as may be permitted under the applicable Supplemental Ordinance, excess moneys in the respective Debt Service Reserve Funds shall be transferred, at the written direction of the City, to the applicable Construction Fund, or if one does not exist, be deposited as the City deems advisable.

Section 6.8. Establishment of Construction Fund. There shall be established with the Custodian a Construction Fund with respect to each Series of Bonds (other than for Bonds issued pursuant to Section 3.4 hereof, if applicable) in the Supplemental Ordinance providing for their issuance, the moneys in which shall be used to defray the costs of any Project and to pay any Costs of Acquisition and Construction with respect to the facilities so financed. On the occasion of the delivery of any Series of Bonds, the proceeds therefrom shall be paid into the Construction Fund established for such Series as set forth in a Supplemental Ordinance authorizing their issue. Withdrawals from the Construction Fund shall not be made except as provided in the Supplemental Ordinance establishing such Construction Fund.

There may be established in a Construction Fund from time to time a capitalized interest account to provide for the payment of interest on the related Series of Bonds as may be permitted hereunder. Any such account shall be created by a Supplemental Ordinance relating to the issuance

of the Bonds of such Series. Any earnings from the investment of funds in the capitalized interest account not required to pay interest on the Bonds of any Series during the period for which interest on the Bonds of such Series is capitalized shall be deposited in the Construction Fund created by the Supplemental Ordinance relating to such Bonds or, if such Construction Fund has been terminated, such earnings shall be transferred to the appropriate Debt Service Fund.

Section 6.9. Distribution of Remaining Hospitality Fees. After making payments of (i) amounts due pursuant to the 2004 Installment Sale Agreement, (ii) amounts required to be deposited into the applicable Debt Service Funds, and (iii) amounts required to be deposited into the applicable Debt Service Reserve Funds, remaining Hospitality Fees shall then be used, first, for payment of interest on amounts advanced by the provider of any surety bond, line of credit, insurance policy or letter of credit as contemplated by Section 6.7 hereof; second, for the payment of Junior Bonds or to meet any other obligations of the City which are or which shall become charges, liens or encumbrances upon the Hospitality Fees; and third, disposed of by the City as it may determine from time to time to be for any lawful purpose under the Hospitality Fee Act and the Hospitality Fee Ordinance.

Section 6.10. Investment of Funds. Moneys held for the credit of the respective Debt Service Funds, Debt Service Reserve Funds and any other funds and accounts established by this Ordinance shall be invested, to the fullest extent practicable and reasonable, in Permitted Investments. Any investment of money held to the credit of the above-mentioned funds and accounts shall mature, be available or be redeemable at the option of the owner or holder thereof at such times and in such amounts as shall be required to provide moneys to make the payments required to be made from such funds. Written investment instructions shall be given to the Trustee and the Custodian by a City Representative.

The Trustee shall evaluate on a semi-annual basis (initially, ten days prior to the first Interest Payment Date applicable to a Series of Bonds) Permitted Investments in the Debt Service Reserve Fund, if any, established by this Ordinance and promptly send written notice of such valuation to the City within ten days of such valuation. Until changed pursuant to written instructions from the City, such valuation shall be made not less than two times each calendar year. The Trustee shall provide written notice to the City of any deficiency in the amount, if any, on deposit in the Debt Service Reserve Funds. Where the amount that exists in the Debt Service Reserve Funds is less than the applicable Reserve Fund Requirement on the date of valuation by the Trustee, any moneys received by the Trustee and designated by the City Representative as a payment made pursuant to Section 6.7(d) hereof shall be deposited in the applicable Debt Service Reserve Fund. Deficiencies in the amount on deposit in the Debt Service Reserve Funds resulting from a decline in market value shall be restored no later than the next succeeding valuation date.

The value of Permitted Investments shall be determined by the Trustee or the Custodian or other depository at the market value or the amortized cost thereof, whichever is lower, exclusive of accrued interest, provided, however, Permitted Investments in any Debt Service Reserve Fund shall be valued at the original cost thereof.

The Trustee may conclusively rely upon the City's written instructions as to both the suitability and legality of the directed investments. In the absence of written investment instructions from the City, the Trustee shall not be responsible or liable for keeping the moneys held by it hereunder fully invested in Permitted Investments. The Trustee may make any and all such investments through its own investment department or that of its affiliates or subsidiaries, and may charge its ordinary and customary fees for such trades. Broker confirmations of investments are not required to be issued by the Trustee to the City for each month in which a monthly statement is rendered. No statement need be rendered for any fund or account if no activity occurred in such fund or account during such month. The Trustee shall not be accountable or liable for any depreciation in the value of any investments in any Funds or for any losses incurred upon the disposition thereof.

Notwithstanding anything contained herein to the contrary, the Trustee shall have no obligation to enter into any investment contract, forward delivery investment agreement, repurchase agreement contract or any similar agreements with respect to the investment of any monies held under the Ordinance unless (i) such agreement is in form and content reasonably acceptable to the Trustee in the course of ordinary business practice, (ii) any liability of the Trustee under such agreement is limited to loss occasioned by the gross negligence or willful misconduct of the Trustee, (iii) the Trustee is not liable under any circumstances for any termination or similar amount under such agreement; and (iv) the City pays to the Trustee such fees and expenses as established by the Trustee from time to time.

Except as otherwise provided herein, all interest earnings on amounts in the Hospitality Fee Fund when realized shall be considered Hospitality Fees.

ARTICLE VII

COVENANTS

Section 7.1. Pledge of Hospitality Fees for Payment of Bonds. The City will not issue any obligations, the payment of which shall have any pledge of the Hospitality Fees prior or superior to the pledge thereof for the payment of the Bonds. In order to insure that the City shall at all times required hereby have sufficient moneys available to pay Fee Payments under the 2004 Installment Sale Agreement, to deposit amounts, when and as required, into the respective Debt Service Funds and Debt Service Reserve Funds established for a Series of Bonds, to provide for payment of interest on amounts advanced pursuant to Section 6.7 and to provide for payment of Junior Bonds (all as described in Section 6.2 hereof), the City covenants and agrees that it shall not at any time while any Bonds are outstanding reduce the amounts assessed for Hospitality Fees to a level not sufficient to permit the City to discharge its obligations hereunder or otherwise require or permit Hospitality Fees (whether through a subsequent amendment of the Hospitality Fee Ordinance or otherwise) to be used or set aside except pursuant to or as permitted by Section 6.2 hereof.

Section 7.2 Covenant with Respect to 2004 Certificates. On and after the date of delivery of any of the Series 2011 Bonds issued pursuant to this Ordinance and the First Supplemental Ordinance, the City covenants, agrees and confirms for the benefit of the Holders of the Bonds that it will not make any pledge of Hospitality Fees for the payment of Other Obligations (as defined in the 2004 Installment Sale Agreement) which are on a parity with the 2004 Certificates or any Additional Certificates (as defined in the 2004 Trust Agreement).

Section 7.3. To Pay Principal, Premium, and Interest on the Bonds. The City covenants and agrees to punctually pay, or cause to be paid, out of the Hospitality Fees pledged to such payment in Article VI hereof, the principal of, redemption premium, if any, and the interest on each and every Bond issued under the provisions of this Ordinance, at the place, on the dates and in the manner provided herein.

Section 7.4. Records, Accounts and Audits. The City covenants and agrees to keep proper books of records and accounts (separate from all other records and accounts), in which complete and correct entries shall be made of all transactions relating to the Hospitality Fees. Such records shall be kept in accordance with the standards from time to time prescribed by the Governmental Accounting Standards Board or its successor. The City will cause to be furnished to any Holder of any of the Bonds, who makes written request therefor, copies of financial statements certified by an Accountant. The Trustee shall not be responsible for obtaining audits of the City. Additionally, the Trustee shall have no duty to review or analyze any financial statements delivered to it hereunder and shall hold such financial statements solely as a repository for the benefit of the Bondholders; the Trustee shall not be deemed to have notice of any information contained therein or Event of Default which may be disclosed therein in any manner.

TRUSTEE; CUSTODIANS

Section 8.1. Trustee. The Council hereby designates Regions Bank as Trustee under this Ordinance. On or prior to the delivery of the initial Series of Bonds, the Trustee shall signify its acceptance of the powers, duties and obligations conferred and imposed upon it by the Ordinance by executing and delivering to the City a written instrument of acceptance.

The Trustee shall (a) prior to the occurrence of an Event of Default of which the Trustee has actual knowledge, and after the curing of all Events of Default which may have occurred, perform such duties and obligations as are specifically set forth in the Ordinance, and no implied covenants or obligations shall be read into the Ordinance against the Trustee, and (b) during the existence of any Event of Default of which the Trustee has actual knowledge (which has not been cured or waived) exercise the rights and powers vested in it by the Ordinance and use the same degree of care and skill in their exercise, as a prudent man would exercise or use under the circumstances in the conduct of his own affairs.

No provisions of the Ordinance shall be construed to relieve the Trustee from liability for its own negligence, intentionally wrongful action or failure to act.

At all times, (1) the Trustee shall not be liable for any error of judgment made in good faith by an officer or employee of the Trustee unless it shall be proved that the Trustee was negligent in ascertaining the pertinent facts; (2) the Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Holders of not less than a majority (or such lesser percentage as is specifically required or permitted by this Ordinance) in the aggregate principal amount of the Bonds at the time Outstanding relating to the time, method and place of conducting a proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee under the Ordinance; (3) in the administration of the trusts of this Ordinance, the Trustee may execute any of the trusts or powers hereof directly or through its agents or attorneys. The Trustee may consult with counsel and the opinion or advice of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by it hereunder in good faith and in accordance with the opinion of such counsel.

The Trustee may conclusively rely upon the authenticity of, and the truth of the statements and the correctness of the opinions expressed in, and shall be fully protected in acting upon any notice, Ordinance, request, consent order, certificate, report, opinion, note, or other paper or document furnished to it pursuant to any provision of this Ordinance, believed by it to be genuine and to have been signed and presented by the proper party.

The Trustee shall not be required to take notice or be deemed to have notice or actual knowledge of any Event of Default specified in Article X hereof other than a payment default under Sections 10.1.A or 10.1.B unless the Trustee shall receive from the City or the registered owner of any Bond written notice stating that an Event of Default hereunder has occurred and

specifying the same, and, in the absence of such notice, the Trustee may conclusively assume that there is no such Event of Default.

The Trustee shall be entitled to payment of and reimbursement by the City for reasonable fees for its services rendered hereunder and all advances and counsel fees, costs and expenses, reasonably and necessarily made or incurred by the Trustee in connection with such services. Additionally, the City shall pay the Trustee for any extraordinary services or extraordinary expenses performed or incurred by the Trustee in connection with its duties under this Ordinance or any Supplemental Ordinance if notified in writing prior to the performance of those services or the incurring of those expenses so as to allow the City to appropriate sufficient funds for their payment.

The Trustee shall not, in any event, be required to take, defend, or appear in any legal action or proceeding hereunder or to exercise any of the trusts or powers hereof unless it shall first be adequately indemnified to its satisfaction against the costs, expenses, and liabilities which may be incurred thereby. Every provision of the Ordinance relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions hereof.

The Trustee shall not be accountable for the use or application by the City of any of the Bonds or the proceeds thereof or for the use or application of any money paid over by the Trustee in accordance with the provisions of this Ordinance or any Supplemental Ordinance. The permissive right of the Trustee to do things enumerated in this Ordinance or any Supplemental Ordinance shall not be construed as a duty and the Trustee shall not be answerable for other than its negligence or willful default. The Trustee shall have no responsibility with respect to any information, statement or recital in any official statement, offering memorandum or any other disclosure material prepared or distributed with respect to any Bonds and shall have no responsibility for compliance with any state or federal securities laws in connection with any Bonds.

None of the provisions of this Ordinance or any Supplemental Ordinance shall require the Trustee to expend or risk its own funds or otherwise to incur any liability, financial or otherwise, in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers if it shall have reasonable grounds for believing that repayment of such funds or indemnity satisfactory to it against such risk or liability is not assured to it.

The Trustee shall not be responsible or liable for any failure or delay in the performance of its obligation under this Ordinance or any Supplemental Ordinance arising out of or caused, directly or indirectly, by circumstances beyond its reasonable control, including, without limitation, acts of God; earthquakes; fire; flood; hurricanes or other storms; wars; terrorism; similar military disturbances; sabotage; epidemic; riots; interruptions; loss or malfunctions of utilities, computer (hardware or software) or communications services; accidents; labor disputes; acts of civil or military authority or governmental action; it being understood that the Trustee shall use commercially reasonable efforts which are consistent with accepted practices in the banking industry to resume performance as soon as reasonably practicable under the circumstances.

The Trustee is not required to make any inquiry or investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, approval, bond, debenture or other paper or document but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit and, if the Trustee determines to make such further inquiry or investigation, it is entitled to examine the books, records and premises of the Issuer and the Borrower, in person or by agent or attorney.

In the event the Trustee receives inconsistent or conflicting requests and indemnity from two or more groups of holders of Bonds, each representing less than a majority in aggregate principal amount of the Bonds Outstanding, pursuant to the provisions of this Ordinance, the Trustee, in its sole discretion, may determine what action, if any, shall be taken.

The Trustee shall not be (i) required to hold any policies of insurance, (ii) responsible for the filing of any documents, security agreements or financing statements regarding the creation or perfection of any interest in the Hospitality Fees or other security for the Bonds; and (iii) responsible for any information contained in any financing statements.

The Trustee's immunities and protections from liability in connection with the performance of its duties under this Ordinance shall extend to the Trustee's officers, directors, agents, attorneys and employees. Such immunities and protections, together with the Trustee's right to compensation, shall survive the Trustee's resignation or removal, the defeasance or discharge of this Ordinance and final payment of the Bonds.

The Trustee makes no representations as to the value, condition or sufficiency of any assets pledged or assigned as security for the Bonds, the right, title or interest of the County therein, the security provided thereby or by the Ordinance or the tax-exempt status of the Bonds.

The Trustee may rely and is protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, approval, bond, debenture or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties.

Any request, direction, order or demand of the City under this the Ordinance shall be sufficiently evidenced by a certificate of the City Representative (unless other evidence thereof is specifically prescribed).

Whenever in the administration of the Ordinance the Trustee deems it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Trustee (unless other evidence thereof is specifically prescribed) may, in the absence of bad faith on its part, rely upon a certificate of the City Representative.

The Trustee may in all cases pay such reasonable compensation as it deems proper to all agents, attorneys and receivers reasonably employed or retained by it, and the Trustee shall not be responsible for any misconduct or negligence of any agent, attorney or receiver appointed with due care by it.

The Trustee, in its commercial banking or in any other capacity, may in good faith buy, sell, own, hold and deal in any of the Bonds and may join in any action which any Bondholder may be entitled to take with like effect as if it were not Trustee. The Trustee, in its commercial banking or in any other capacity, may also engage in or be interested in any financial or other transaction with the City and may act as depository, trustee or agent for any committee of Bondholders secured hereby or other obligations of the Issuer as freely as if it were not Trustee. The provisions of this Section shall extend to affiliates of the Trustee.

Whether or not expressly so provided, every provision of the Ordinance relating to the conduct or affecting the liability of or affording protection to the Trustee is subject to the provisions of this Article.

Section 8.2. Resignation of Trustee. The Trustee may resign at any time by giving 30 days' written notice to the City and by giving notice to the registered owners of the Bonds by publication of such resignation. No resignation will become effective until a successor Trustee has been appointed and accepts such appointment as provided below. Upon receiving notice of resignation, the City shall promptly appoint such successor Trustee by an instrument in writing. In the event a successor Trustee has not been appointed within 60 days of the date notice of resignation is given, the Trustee, at the City's expense, may apply to any court of competent jurisdiction for the appointment of a successor Trustee to act until such time as a successor is appointed as provided in this Section.

Unless otherwise ordered by a court or regulatory body having competent jurisdiction, or unless required by law, any successor Trustee shall, if there is such an institution willing, qualified and able to accept the trust upon reasonable or customary terms, be a bank, bank holding company or trust company or wholly-owned subsidiary of a bank holding company or trust company in good standing, qualified to act hereunder, and having a capital and earned surplus of not less than \$75,000,000.

Any successor Trustee appointed as provided in this section, shall execute, acknowledge and deliver to the City and its predecessor Trustee an instrument accepting such appointment hereunder, and thereupon the resignation or removal of the predecessor Trustee shall become effective and such successor Trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts, duties and obligations of its predecessor of the trust hereunder. Upon the request of any such successor Trustee, the City shall execute any and all instruments in writing for more fully and certainly vesting in and confirming to such successor Trustee all such rights, powers and duties. Upon acceptance of appointment by a successor Trustee, the City shall notify the registered owner of each Bond then Outstanding by first-class mail, postage prepaid.

The predecessor Trustee shall execute any and all documents reasonably necessary or appropriate to convey all interest it may have to the successor Trustee. The predecessor Trustee shall promptly transfer all funds to the successor Trustee and deliver all records relating to the trust or copies thereof and communicate all material information it may have obtained concerning the trust to the successor Trustee.

Any corporation or association into which the Trustee may be merged or with which it may be consolidated, or any corporation or association resulting from any merger, or any corporation or association succeeding to the business or substantially all of the business of the Trustee, shall be the successor of the Trustee hereunder without the execution or filing of any paper or any further act on the part of any of the parties hereto.

Each, every and all funds and accounts held by the Trustee shall be impressed with a trust for the benefit of the registered owners of the Bonds, under the provisions of this Ordinance and of the Bond Act.

Section 8.3. Removal of Trustee. Upon 30 days' written notice, the City, at its sole discretion, provided that an Event of Default shall not have occurred and be continuing, may remove the Trustee. The removal of the Trustee under this Section 8.3 shall not be effective until a successor Trustee has been appointed and has accepted the duties of Trustee.

The Holders of a majority in aggregate principal amount of the Bonds at the time outstanding may, upon 30 days' written notice to the Trustee and the City, remove the Trustee and appoint a successor Trustee by instrument or instruments in writing signed by such Holders of the Bonds.

Section 8.4. Custodians. The Construction Fund shall at the option of the City be held by a bank, a trust company, a national banking association or a national association as Custodian under this Ordinance or a Supplemental Ordinance.

Section 8.5. Duties and Obligations of Trustee and Custodians. The recitals of fact made in the Ordinance and in the Bonds shall be taken as statements of the City, and neither the Trustee nor Custodian shall be deemed to have made any representation as to the correctness of the same. Nor shall the Trustee or any Custodian be deemed to have made any representation whatsoever as to the validity or sufficiency of the Ordinance or of the Bonds issued hereunder. Nor shall the Trustee or any Custodian be under any responsibility or duty with respect to the issuance of the Bonds or the application of the proceeds thereof, except to the extent provided for herein, or in a Supplemental Ordinance. Nor shall the Trustee or any Custodian be under any obligation or duty to perform any act which would involve it in expense or liability or to institute or defend any suit in response to the Ordinance, or to the Bonds issued hereunder, or to advance any of its own moneys, unless properly indemnified to its satisfaction. Nor shall the Trustee or any Custodian be liable in connection with the performance of its duties hereunder, except for its own negligence or default.

Section 8.6. Trustee and Custodians Protected in Relying upon Ordinances, etc. The Trustee and all Custodians shall at all times be protected in acting upon any notice, Ordinance, request, consent, order, certificate, statement, opinion, bond, or other paper or document believed to be genuine and to have been signed by the proper party or parties.

ARTICLE IX

AMENDMENTS OR SUPPLEMENTS TO THIS ORDINANCE

Section 9.1. Amendments or Supplements to Ordinance. The City shall not amend this Ordinance except in accordance with the provisions of this Article.

A. The City may, from time to time and without the consent of any Holder of the Bonds enact an ordinance amendatory hereof or supplemental hereto for the purpose of (a) providing for the issuance of Bonds pursuant to the provisions of Article III hereof, or (b) (i) making any amendments or modifications hereto which may be required to permit this Ordinance to be qualified under the Trust Indenture Act of 1939, as amended; (ii) making any modification or amendment to this Ordinance not inconsistent herewith required for the correction of language or to cure any ambiguity or defective provisions, omission, mistake or manifest error herein contained; (iii) making any amendments or supplements hereto to grant to or confer upon the Holders additional rights, remedies, power and authority, or to grant to or confer upon any Holders, committee or trustee for the Holders any additional rights, power or authority; or (iv) to add to the security of the Holders of the Bonds.

B. From time to time the Holders of 66-2/3% in principal amount of the Bonds then Outstanding, by an instrument or instruments in writing signed by such Holders and filed with the City and the Trustee, shall have power to assent to and authorize any modification or amendment to the provisions of this Ordinance that may be proposed by the City or of the rights and obligations of the City and of the Holders of Bonds issued hereunder. Any action herein authorized to be taken with the assent and authority given as aforesaid of the Holders of at least 66-2/3% in principal amount of the Bonds at the time Outstanding shall be effective and binding upon all of the Holders of Bonds Outstanding and upon the City as fully as though such action were specifically and expressly authorized by the terms of this Ordinance; provided always, that without the consent of the Holder of each Bond affected thereby, no such modification shall be made which will (a) extend the time of payment of principal of or the interest on any Bond, or reduce the principal amount thereof or the rate of interest thereon or the premium payable upon the redemption thereof, or (b) give to any Bond or Bonds any preference over any other Bond or Bonds, or (c) authorize the creation of any pledge prior to or, except as provided herein for the issuance of Series of Bonds, on a parity with the pledge afforded by this Ordinance, or (d) reduce the percentage in principal amount of the Bonds required to assent to or authorize any such modification to this Ordinance. For the purpose of computations required by this paragraph, Bonds directly or indirectly owned or controlled by the City shall be disregarded.

Any modification or amendment or supplement to the provisions of this Ordinance or of any Supplemental Ordinance supplemental hereto shall be set forth in an ordinance to be enacted by the City.

The Trustee is hereby authorized to accept the delivery of a certified copy of any amendatory or supplemental ordinance referred to and permitted or authorized by this Section 9.1 and to make all further agreements and stipulations which may be therein contained,

and the Trustee, in accepting such ordinance and taking such action, shall receive and be fully protected in relying on an opinion of counsel (which may be an opinion of counsel to the City) that such amendatory or supplemental ordinance is authorized or permitted by the provisions of this Ordinance. No such amendatory or supplemental ordinance shall change or modify any of the rights or obligations of the Trustee without its written assent thereto.

ARTICLE X

EVENTS OF DEFAULT

Section 10.1. Events of Default. With respect to the Bonds, the following shall constitute "Events of Default":

A. An Event of Default (as defined in the 2004 Installment Sale Agreement) under Section 7.1(a) of the 2004 Installment Sale Agreement has occurred and is continuing.

B. If payment of the principal of any Bond, whether at maturity or by proceedings for redemption, or upon mandatory sinking fund redemption, or by declaration as provided in Section 11.1 hereof, or otherwise, is not made by the City after the same has become due and payable; or

C. If payment of any installment of interest on any Bond is not made by the City as the same becomes due and payable; or

D. If the City shall fail in the due and punctual performance of any of the covenants, conditions, agreements and provisions contained in the Bonds or in this Ordinance or in any Supplemental Ordinance on the part of the City to be performed, and such failure continues for 90 days after written notice specifying such failure and requiring the same to be remedied has been given to the City by the Trustee, or the Holders of not less than 20% in principal amount of the Bonds then Outstanding or any trustee or committee therefor; or

E. If any proceedings are instituted, with the consent or acquiescence of the City, for the purpose of effecting a composition between the City and its creditors and if the claim of such creditors is in any circumstance payable from any of the Hospitality Fees or any other moneys pledged and charged in this Ordinance or any Supplemental Ordinance for the payment of the Bonds, or any such proceedings are instituted for the purpose of adjusting the claims of such creditors, pursuant to any federal or State statute now or hereafter enacted; or

F. If the City is for any reason rendered incapable of fulfilling its obligations hereunder in any material respect.

Subject to the provisions, limitations and conditions of Sections 11.1 and 11.2 hereof, insofar as the remedies provided in said provisions are concerned, nothing in Section 11.3 hereof or in this Article, and particularly nothing in subparagraph C of this Section 10.1, shall prohibit or limit, or be construed as prohibiting or limiting any Holder of a Bond from enforcing the duties of the City, or any of the officers thereof, under any provisions of this Ordinance (including, without limiting the generality of the foregoing, the duties imposed by or referred to in Section 11.3 hereof) by mandamus or other appropriate suit, action or proceeding in any court of competent jurisdiction, even though the failure of the City or any of the officers thereof to perform any such duty may not then constitute an “Event of Default” as defined in this Article.

[End of Article X]

ARTICLE XI

REMEDIES UPON EVENT OF DEFAULT

Section 11.1 Declaration of Principal and Interest as Due. Upon the occurrence of an Event of Default, and at any time thereafter while such Event of Default continues, then and in each and every case the Trustee in its own name and as trustee of an express trust, on behalf and for the benefit and protection of the Holders of all Outstanding Bonds, may proceed, and upon the written request of the Holders of not less than 25% in principal amount of the Bonds then Outstanding, shall proceed to declare the principal of all Bonds then Outstanding, together with all accrued and unpaid interest thereon, if not already due, to be due and payable immediately, and upon any such declaration the same shall become and be due and payable immediately. This provision is also subject, however, to the condition that, if at any time after the principal of the Bonds, together with the accrued and unpaid interest thereon and other moneys secured hereby, have been so declared due and payable and before any further action has been taken (other than the making of the above declaration), the principal amount of all Bonds which have matured either according to the maturity date or dates otherwise specified therein (except as a result of such declaration) and all arrears of interest upon all Bonds, except interest accrued but not yet due on said Bonds, have been paid or caused to be paid, and all other Events of Default, if any, which have occurred have been remedied, cured or secured, then and in each and every such case the Holders of 25% in principal amount of the Bonds then Outstanding, by notice in writing delivered to the Trustee and the City, may waive such Default and its consequences and rescind and annul such declaration. No such waiver or rescission or annulment shall extend to or affect any subsequent default or impair or exhaust any right or power related to such subsequent Default.

Section 11.2. Suits at Law or in Equity and Mandamus. In case any one or more of the Events of Default shall happen and be continuing, then and in every such case, but subject to the provisions, limitations and conditions of Section 11.1 hereof so far as the remedies provided in said provisions are concerned, the Holder of any Bond at the time Outstanding, or Trustee therefor, may, for the equal benefit and protection of all Holders of the Bonds similarly situated,

(a) by mandamus or other suit, action or proceedings at law or in the equity, enforce such Bondholder's right against the City and require and compel the City to perform and carry out its duties and obligations under the Bond Act and this Ordinance, and to perform and carry out its covenants and agreements with the Bondholders;

(b) by action or suit in equity require the City to account as if such City were the trustee of an express trust;

(c) by action or suit in equity enjoin any acts or things which may be unlawful or in violation of the rights of the Bondholders; or

(d) bring suit upon the Bonds.

Section 11.3. Remedies Not Exclusive; Effect of Waiver of Default; Effect of Abandonment of Proceedings or Adverse Determination. The Holders from time to time of the Bonds shall be entitled to all the remedies and benefits of this Ordinance as are and as shall be provided by law, and, subject to the provisions of Sections 11.1 and 11.2 hereof, nothing herein shall be construed to limit the rights or remedies of any such Holders under any applicable statute that may now exist or be enacted thereafter. No remedy conferred by the Bond Act and this Article upon any Holder of any Bond is intended to be exclusive of any other remedy. Each and every such remedy shall be cumulative and shall be in addition to every other remedy and may be exercised without exhausting and without regard to any other remedy conferred by the Bond Act and this Article or by any other law now or hereafter existing. Every substantive right and remedy conferred upon the Holders of the Bonds may be enforced and exercised from time to time and as often as may be deemed expedient.

No waiver of any default or breach of duty or contract by any Holder of any Bond shall extend to or affect any subsequent default or breach of duty or contract, or shall impair any rights or remedies thereon. No delay or omission of any Holder of a Bond to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or acquiescence therein.

In case any suit, action or proceeding to enforce any right or exercise any remedy shall be brought or taken and then discontinued or abandoned, or shall be determined adversely to Holders of the Bonds then and in every such case, the City and such Holders shall be restored to their former positions and rights and remedies as if no suit, action or proceeding had been brought or taken.

When the Trustee incurs costs or expenses (including legal fees, costs and expenses) or renders services after the occurrence of an Event of Default, such costs and expenses and the compensation for such services are intended to constitute expenses of administration under any federal or state bankruptcy, insolvency, arrangement, moratorium, reorganization or other debtor relief law.

Section 11.4. Restrictions on Bondholder's Action.

A. No Holder of any Bond shall have any right to institute any suit, action or proceeding at law or in equity for the enforcement of any provision of this Ordinance or the execution of any trust under this Ordinance or for any remedy under this Ordinance unless such Holder shall have previously given to the Trustee written notice of the happening of an Event of Default and the Holders of at least twenty-five percent (25%) in principal amount of the Bonds then Outstanding shall have filed a written request with the Trustee and shall have offered the Trustee reasonable opportunity, either to exercise the powers granted in this Ordinance or by the laws of the State or to institute such action, suit or proceeding in its own name, and unless such Holders shall have offered to the Trustee adequate security and indemnity against the costs, fees (including reasonable attorneys' fees), expenses and liabilities to be incurred therein or thereby, and the Trustee shall have refused to comply with such request for a period of 60 days after receipt by it of such notice, request an offer of indemnity. No one or more Holders of Bonds shall have any right in any manner whatever by his or their action to affect, disturb or prejudice the pledge created by this

Ordinance, or to enforce any right under this Ordinance, except in the manner therein provided. All proceedings at law or in equity to enforce any provision of this Ordinance shall be instituted, had and maintained in the manner provided in this Ordinance and for the equal benefit of all Holders of the Outstanding Bonds.

B. Nothing contained in this Ordinance or in the Bonds contained shall affect or impair the obligation of the City, which is absolute and unconditional, to pay at the respective dates of maturity and places therein expressed the principal of (and redemption premium, if any) and interest on the Bonds to the respective Holders thereof, or affect or impair the right of action, which is also absolute and unconditional, of any Holder to enforce such payment of his Bond.

Section 11.5. Application of Hospitality Fees and Other Moneys After Default. During the continuance of an Event of Default, all moneys received by the Trustee pursuant to any right given or action taken under the provisions of this Article shall, after payment of the costs and expenses of the proceedings resulting in the collection of moneys and of the fees, expenses and advances of, incurred or made by the Trustee with respect thereto, be deposited in the respective Debt Service Funds, and all amounts held by the Trustee hereunder shall be applied as follows (provided if more than one Debt Service Fund has been established, such amounts shall be paid ratably):

A. Unless the principal of all Outstanding Bonds shall have become or have been declared due and payable:

First: To the payment to the persons entitled thereto of all installments of interest then due on the Bonds in the order of maturity of such installments, and, if the amount available shall not be sufficient to pay in full any installment or installments maturing on the same date, then to the payment thereof ratably, according to the amounts due thereon to the person entitled thereto, without any discrimination or preference; and

Second: To the payment to the persons entitled thereto of the unpaid principal amounts or redemption premium, if any, of any Bonds which shall have become due (other than Bonds previously called for redemption in accordance with the provisions hereof), whether at maturity or by call for redemption, in the order of their due dates, and if the amounts available shall not be sufficient to pay in full all the Bonds due on any date, then to the payment thereof ratably, according to the principal amounts or redemption premium, if any, due on such date, to the persons entitled thereto, without any discrimination or preference.

B. If the principal amounts of all Outstanding Bonds shall have become or have been declared due and payable, to the payment of the principal amounts and interest then due and unpaid upon the Bonds without preference or priority of principal over interest or of interest over principal, of any installment of interest over any other installment of interest, or of any Bond over any other Bond, ratably, according to the amounts due respectively for principal amounts and interest, to the persons entitled thereto without any discrimination or preference.

C. If the principal amounts of all Outstanding Bonds shall have been declared due and payable, and if such declaration shall thereafter have been rescinded and annulled under the provisions of this Article XI, then, subject to the provisions of this Section in the event that the principal amounts of all Outstanding Bonds shall later become due or be declared due and payable, the moneys shall be applied in accordance with the provisions of paragraph (A) of this Section.

D. Whenever moneys are to be applied by the Trustee pursuant to the provisions of this Section, such moneys shall be applied by it at such times, and from time to time, as the Trustee shall determine, having due regard for the amount of such moneys available for application and the likelihood of additional moneys becoming available for such application in the future. Whenever the Trustee shall apply such moneys, it shall fix the date (which shall be a Bond payment date unless it shall deem another date more suitable) upon which such application is to be made and upon such date interest on the principal amounts to be paid on such dates shall cease to accrue. The Trustee shall give such notice as it may deem appropriate of the deposit with it of any such moneys and of the fixing of any such date, and shall not be required to make payment to the Holder of any Bond until such Bond shall be presented to the Trustee for appropriate endorsement of any partial payment or for cancellation if fully paid.

Whenever all Bonds and interest thereon have been paid under the provisions of this Section and all expenses and charges of the Trustee have been paid, any balance remaining shall be paid to the person entitled to receive the same; if no other person shall be entitled thereto, then the balance shall be paid to the City or as a court of competent jurisdiction may direct.

ARTICLE XII

DEFEASANCE

Section 12.1. Defeasance. The obligations of the City under this Ordinance and the liens, pledges, charges, trusts, covenants and agreements of the City herein made or provided for, shall be fully discharged and satisfied as to any Bond; and, unless or except as otherwise provided in the Supplemental Ordinance providing for the issuance of any Series of Bonds, such Bond or Series of Bonds shall no longer be deemed to be Outstanding hereunder when:

A. Such Bond or Series of Bonds shall have been purchased by the City and surrendered to the Trustee or the Registrar for cancellation or otherwise surrendered to the City, the Trustee or the Registrar, and is canceled or subject to cancellation by the City, the Trustee or the Registrar, or

B. Payment of the principal of, redemption premium, if any, and interest on such Bond or Series of Bonds, either (a) shall have been made or caused to be made in accordance with the terms thereof, or (b) shall have been provided for by irrevocably depositing with the Trustee in trust and irrevocably setting aside exclusively for such payment, (i) moneys sufficient to make such payment, or (ii) Government Obligations maturing as to principal and interest in such amounts and at such times as will ensure the availability of sufficient moneys to make such payment, and all necessary and proper fees, compensation and expenses of the Trustee, Paying Agent and the Registrar together with either (i) a verification report, satisfactory to the Trustee, to the effect that such securities and/or cash, together with earnings thereon, will be sufficient to pay interest and principal (and applicable premium, if any) on the Bonds to redemption or maturity or (ii) an opinion of Counsel, satisfactory to the Trustee, to the effect that all conditions precedent to the defeasance of the Bonds have been satisfied; provided however, that no such verification report or opinion shall be required in the event of a gross defeasance (where the cash deposited alone is sufficient to pay the debt service on the Bonds) or a current refunding (where the Bonds are to be redeemed within ninety (90) days of the funding of the escrow). At such time as a Bond or Series of Bonds shall no longer be deemed to be Outstanding hereunder, as aforesaid, such Bond or Series of Bonds shall cease to draw interest from the maturity date or redemption date thereof, and, except for the purposes of any such payment from such moneys or Government Obligations, shall no longer be secured by or entitled to the benefits of this Ordinance.

Any moneys so deposited with the Trustee as provided in this Article may at the written direction of the City also be invested and reinvested in Government Obligations, maturing in the amounts and times as hereinbefore set forth, and all income from all Government Obligations in the hands of such Trustee which is not required for the payment of the Bonds or Series of Bonds and interest thereon with respect to which such moneys shall have been so deposited, shall be treated as Hospitality Fees.

Notwithstanding any provision hereof which may be contrary to the provisions of this Article, all moneys or Government Obligations set aside and held in trust pursuant to the provisions of this Article for the payment of Bonds or Series of Bonds shall be applied to and used solely for

the payment of the particular Bonds or Series of Bonds with respect to which such moneys and Government Obligations have been so set aside in trust.

Any provision hereof to the contrary notwithstanding, if moneys or Government Obligations have been deposited or set aside with the Trustee pursuant to this Article for the payment of the Bonds and such Bonds shall not have in fact been actually paid in full, no amendment to the provisions of this Article shall be made without the consent of the Bondholder of each Bond or Series of Bonds affected thereby.

If moneys or Government Obligations have been deposited with the Trustee pursuant to Section 12.1(B) for payment of less than all Bonds of a Series and maturity, the Bonds of such Series and maturity to be so paid from such deposit shall be selected by the Trustee by lot by such method as shall provide for the selection of portions (in authorized denominations) of the principal of Bonds of such Series and maturity of a denomination larger than the smallest authorized denomination. Such selection shall be made within seven days after the moneys or Government Obligations have been deposited with the Trustee. This selection process shall be in lieu of the selection process otherwise provided with respect to redemption of Bonds in Article V. After such selection is made, Bonds that are to be paid from such deposit (including Bonds issued in exchange for such Bonds pursuant to the transfer or exchange provisions of this Ordinance) shall be identified by a separate CUSIP number or other designation satisfactory to the Trustee. The City shall provide such CUSIP number or other designation to the Trustee. The Trustee shall notify Bondholders whose Bonds (or portions thereof) have been selected for payment from the moneys or Government Obligations on deposit and shall direct such Bondholders to surrender their Bonds to the Trustee in exchange for Bonds with the appropriate designation. The selection of Bonds for payment from such deposit pursuant to this Section 12.1 shall be conclusive and binding on the City.
