South End of Riverfront Park to Close for Tree Trimming

The south end of Riverfront Park located at 312 Laurel Street will be closed on Thursday, August 16, to allow SCE&G to perform tree trimming activities along the overhead utility lines, the Columbia Parks & Recreation Department announced.

To ensure the safety of the public, the trail will be closed to guests in the active work areas until 5 p.m. The active work zone will occur from the pedestrian bridge to just above I-126.

Guests may enter the park from the north end located at 4122 River Drive, but can expect portions along the walking trail to be closed to through traffic. Staff will be on site to assist guests during the routine maintenance.

For more information, call the Columbia Parks & Recreation Department at 803-545-3100.
