

SPECIAL CLAUSE TERMS AND CONDITIONS

SC STATE CONTRACT PROVISIONS

This procurement was entered into under the terms and conditions outlined in a State of South Carolina Contract (see purchase order for contract number). The City of Columbia's general terms and conditions shall also apply, as applicable. The successful contractor, consultant and/or vendor shall be subject to following all provisions stated in both the State and City's terms and conditions, if applicable. In case of conflicting provisions, the State of South Carolina's provisions shall supersede on this procurement.

COOPERATIVE AGREEMENT PROVISIONS

This procurement was entered into under the terms and conditions outlined in a Cooperative Agreement Contract (see purchase order for contract number). The City of Columbia's general terms and conditions shall also apply, as applicable. The successful contractor, consultant and/or vendor shall be subject to following all provisions stated in both the Cooperative agreement and the City's terms and conditions, if applicable. In case of conflicting provisions, the Cooperative Contract provisions shall supersede on this procurement.
