You can always enjoy fellowship with neighbors in the Forest Oaks community room—a gorgeous TV lounge with wood-frame, glass tables and comfy couches and chairs. Take advantage of the other social and supportive services that the TNDC staff provides, such as informational workshops and speakers from various community based and governmental organizations. Residents can also take advantage of job training classes at Oak Hill's P.O.W.E.R Center. At Forest Oaks, you can spread your wings.

"I was able to take classes at the P.O.W.E.R. Center four days a week, which gave me the necessary skills to get a job as a computer operator at a local embroidery company. There should be more places like this."
